A huge choice of new Italian suppliers gives you unprecedented access to hard-to-find, high quality "Made in Italy" products that will help boost your sales while giving you an outstanding advantage over your competitors.

ItalianModa is a one-stop marketplace offering the best of Italian fashion and textiles supplies to greatly increase your profitability.

How to get in touch and buy direct from Italian manufacturers:

DIRECTORIES AND SEARCH ENGINES

Time is a critical resource. Navigating through the ItalianModa directories, or running a query is made simple by lightning-fast search engines. You can find the suppliers of a product or service in just seconds! And getting to know more about your potential supplier, or to find out more information about a manufacturer is at the touch of a button!

STOREFRONTS

Comparing several possible suppliers and evaluating their products or markets is now simple! ItalianModa has provided a clear, easy-to-read storefront page with all of the basic information you need to make a qualified decision about who your next suppliers will be!

ONLINE CATALOGS & ORDERING

Without ever leaving your desk, you may browse the electronic catalogs of Italian manufacturers at your convenience, 24 hours a day! The variety of easy-to-use online tools will help you to select the items of your choice (according to models, designs, colorways and sizes), request samples, or place an order. These tools dramatically reduce wasted search time, costs and errors! Joining ItalianModa also means you can take advantage of financial, business or escrow services offered by many of our partners at reduced rates!

SURPLUS AUCTIONS

Genuine "Made in Italy" fashion or textile merchandise at bargain prices? Yes, and now it is available to you! The ItalianModa "Surplus Auctions" allow you to bid on liquidation lots of otherwise impossible to find products and prices on your local markets. ItalianModa is the hassle-free way to import quality Italian apparel, fabrics, fashion accessories, and leather goods (including designer labels), at below wholesale costs!

REVERSE AUCTIONS

Do you have a certain price cap you are willing to pay for a specific product? Now you can make an offer: all of the Italian suppliers able to match your product and price (or even less), will make you an offer. Leveraging gives you every advantage by creating the best possible buying conditions for your budget as suppliers compete to give you the lowest possible price to win your business!

BUYING GROUPS

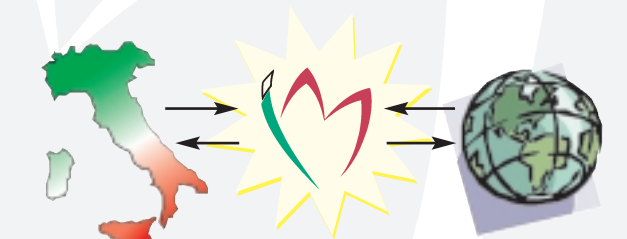

Benefit from the power of aggregate buying! Join other companies to buy a part of a large lot of quality merchandise at wholesale prices. Buy fashion or textile products at unheard of prices through this incredible service that you could never accomplish as a single company!

A WIN-WIN SCHEME FOR ALL

ItalianModa features an advanced business-to-business model developed by specialists in Internet technology and the fashion and textile industries, creating a "win-win" situation for both buyers and sellers alike.

The online business tools provided through ItalianModa make it easy for any retailer, wholesaler, importer, apparel or furnishing company, department store, or Internet shop to have a definitive edge over their toughest competition!

ItalianModa streamlines the way you do business! Imagine ... now you can get in touch with a wide range of Italian suppliers of high-quality "Made in Italy" products at the touch of a keyboard! You can place an order direct to the manufacturer of your choice at virtually no cost and in real time! It is the smart way of doing successful business in the age of e-commerce technology, so don't be left behind!

APPRAISE YOUR NEXT SUPPLIERS

To make a better evaluation of whom your next suppliers will be, ItalianModa has provided mini WEB sites of the individual manufacturers introducing their products and/or services. Get in touch with them directly to ask questions, or just visit their site to learn more about them.

BUY SMART!

Business Auctions to purchase surplus lots of "Made in Italy" merchandise at bargain prices. Business-to-business electronic catalogs, fully customized to showcase fashion and textile products, where you can instantly buy the merchandise you need. Advanced purchasing options and services such as Group Buying and Reverse Auctions to get you the best for the least.
